Brainstorm & Idea Prioritization Template:

Brainstorming provides a free and open environment that encourages everyone within a team to participate in the creative thinking process that leads to problem solving. Prioritizing volume over value, out-of-the-box ideas are welcome and built upon, and all participants are encouraged to collaborate, helping each other develop a rich amount of creative solutions.

Brainstorm & idea prioritization

Use this template to brainstorm ideas for your project and to prioritize them. It is a great tool for teams to use together.

1. Brainstorm ideas
2. Prioritize ideas

Brainstorm your ideas

Brainstorm ideas for your project. Write down all the ideas you can think of, no matter how silly or impractical they may seem.

Define your problem statement

Write a clear and concise statement of the problem you are trying to solve. This will help you to focus your brainstorming efforts.
